

## QF 8200-C – INSTRUCTIONS FOR IMPORTS (NON-RMA)

### Teledyne Employee

Before you import Non-RMA Hardware, send this form to person from whom you are importing.

### Persons Outside of USA

Follow instructions below when shipping items to Teledyne Storm Microwave.

If the items are for repair, contact your sales person for separate RMA Import Instructions.

A. **Include a Commercial Invoice that contains the following information in English language:**

1	Part number as listed on purchase order
2	Description of item as listed on purchase order
3	Quantity to be returned
4	Country of origin
5	Full value of goods in US dollars – this should be the <i>actual selling value</i> of the goods Do not use \$0.00, even if there is no charge for the item(s)

B. **Country of Origin Marking Requirements**

U.S. Customs laws (19 CFR 134) require that every article of foreign origin (or its container) imported into the United States must be marked “**Made in [insert country of origin]**” in a conspicuous place as legibly, indelibly and permanently as the nature of the article permits. If a part cannot be marked, then the part’s container must be marked. This container **IS NOT** the outer shipping container.

C. **Advance Notification**

Prior to delivery, send Commercial Invoice to your Purchasing Agent or other contact and Teledyne Storm Microwave’s Import Administrator –

Import Admin Lisa Ballard  
Email [Lisa.Ballard@Teledyne.com](mailto:Lisa.Ballard@Teledyne.com)  
Fax 1-630-754-3488

### **NOTICE!**

Consequences for not following these instructions may include chargeback, rejection of merchandise, and indemnification of any costs and / or penalties incurred by Teledyne as a result of your non-compliance.
