

Pneumatic Controls

Actuators

- Escapements
- Guided Cylinders
- NFPA/ISO Cylinders
- Precision Grippers
- Rodless Cylinders
- Rod Lock Cylinders
- Rotary/ Linear Actuators
- Round Body Cylinders
- Servo Position Systems
- Slide/Rotary Tables
- Stainless Steel Cylinders

Air Preparation

- Combination Filter Regulators
- Lockout/ Soft Start/ Dump Valves
- Lubricators
- Refrigeration Dryers
- Regulators

Valves

- Fieldbus Manifolds
- In-Line Valves
- Intrinsically Safe Valves
- Isolation Valves
- Latching Valves
- Micro Valves
- Proportional Valves
- Solenoid Valves
- Servo Pneumatic Valves
- Telepneumatic Logic and Control
- Valve Manifolds

Fluid Controls

- Actuated Ball Valves
- Angle Body Valves
- Cryogenic Valves
- Electronic Regulators
- Isolation Valves
- Proportional Valves
- Skinner and Gold Ring Valves
- Solenoid/ Process Valves

Electrical Controls

Automation

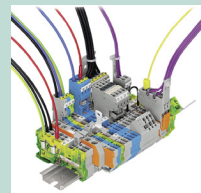

- Circuit Protection
- Ethernet Switches
- Industrial PCs
- I/O Fieldbus Modules
- Motors & Control
- Panel LED Lighting
- Power Supplies
- PLC's/HMI Panels
- Power Distribution
- Pushbutton Operators
- Relays/Optocouplers
- Signal Conditioners
- Terminal Blocks
- Transformers
- Variable Frequency Drives

Enclosures

- Climate Control Accessories
- Customized Boxes
- EMI/RFI Instrumentation Boxes
- Floor Mounted / Free Standing
- HMI Consoles & Consolets
- Junction Boxes
- Modular Rack Mounted
- NEMA / IP / Hazardous Ex Ratings
- Non-Metallic / Fiberglass, ABS
- Pendant Arm Systems
- Stainless Steel, Aluminum
- Wall Mounted Boxes

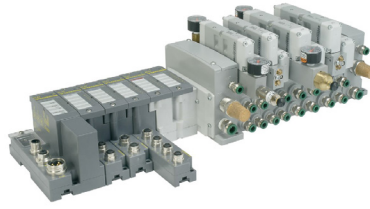

Structural Aluminum

- Automation System Solutions
- Displays & Exhibits
- Fractional/ Metric/ B-Series Profiles
- Linear Motion Frame Systems
- Material Handling Applications
- Robotic Fixtures
- Safety Guarding & Enclosures
- Supplied as Kits or Assembled
- Workstation Solutions

Sensors/Switches

- Cordsets/ DIN Connectors
- Capacitive Sensors
- Electro-Optic Switches
- Fiber Optic Sensors
- Float Switches
- Flow Sensors/Switches
- Liquid Level Sensors
- Photoelectric Switches
- Pressure Transducers/Switches
- Proximity Sensors
- Shaft Speed Monitoring
- SureSite Level Indicators
- Temperature Sensors
- Thermocouple/RTD
- Ultrasonic Sensors
- Vision Systems
- Warrick Controls

Custom Assemblies

- AC/DC Power Distribution Assemblies
- Air Prep Sub-assemblies
- Aluminum Extrusion Machine Safeguarding
- Cable and Electro-mechanical Assembly
- Component Cable/Connector Termination
- Control Panel Design & Assembly
- Enclosed Variable Frequency Drive Panels
- Gauge/Metering Assemblies
- UL508A Registered Panel Fabricator
- Valve Manifold Assemblies

Machine Safety

- Aluminum Frame Safety Guards
- Emergency Stop Switches
- Non-Contact Switches
- Safety Floor Mats
- Safety Key Interlocks
- Safety Laser Scanners
- Stack Lights/ Alarms
- Safety Light Curtains
- Safety Relays/Controllers
- Two-Hand Controls

Engineering Services

- AutoCAD Design/Documentation
- Motion Control System Design
- PLC, HMI, SCADA, Drives Programming
- Value-engineering System Review

Supply Chain Solutions

- 24/7 Ordering through HopeDirect.com
- Automation Motion Control Consulting
- Custom Component Kitting/Labeling
- Customer Site Product Training
- iPower Integrated Supply Partner
- iZap Vendor Managed Inventory Programs
- Rapid Delivery Catalog - *In-Stock*
