

Material Safety Data Sheet (MSDS)

Date : 2013/10/29

<p>1. Identification of the substance/preparation and of the company/undertaking</p> <p>Product Name : Liquid Crystal Display Panel , Module and Touch Panel Manufacture/Supplier : Company Name: United Radiant Technology Corporation Address : No.12 CHIEN KUO ROAD, TAICHUNG ECONOMIC PROCESSING ZONE TANTZU TAICHUNG TAIWAN Phone : TEL : +886-4-25314277, FAX: +886-4-25313067, http://urt.com.tw Contact Person: Rex Li , TEL : +886-4-25314277 ext. 3317</p>
<p>2. Composition/Information on ingredients</p> <p>Mechanical assemble of : Glass Liquid Crystal (sealed inside of the glasses) Polarizer Backlight (if available , with PCB, SMT component of resistance , Capacitance, IC) Housing (Frame of metal) Cable</p>
<p>3. Hazards Identification</p> <p>This product is not classified as Hazardous</p>
<p>4. First aid measures</p> <p>In normal application there is no hazardous that should required first aid , however if the products is processed , i.e. drilled or cutting and dust generated then the following may be required .</p> <p>Eyes : Irrigate with clean water, if irritation persists, seek medical advice. Skin : Wash with mild soap and water . Inhalation: If affected by upper tract respiratory tract irritation, remove from exposure Swallowing of Liquid crystal : Drink water , Induce vomiting , seek medical advice.</p>
<p>5. Fire-fighting measure :</p> <p>Non-combustible Water for the package material</p>
<p>6. Accidental release measures</p> <p>Not Applicable</p>
<p>7. Handling and Storage :</p> <p>Handling : No further requirement Storage: Room temperature and humidity (storage condition for quality purpose : 22 degree C , less than 70%RH humidity)</p>

Material Safety Data Sheet (MSDS)

Date of print: 2013/10/7

8. Exposure controls/personal protection:

Not Applicable

9. Physical and chemical properties

Form :	Solid
Color :	Not Applicable
Odor :	Not Applicable
PH value:	Not Applicable
Density :	Not Applicable
Melting point :	Above 100 degree C
Flash point :	Not Applicable
Ignition Point :	Not Applicable
Water Solubility	Insoluble

10. Stability and reactivity :

Very stable

11. Toxicological Information:

Non Toxic

12. Ecological Information:

No adverse environmental / ecological effects are foreseen
Follow electronically device recycle directive

13. Disposal consideration:

Follow local electronically device recycle directive or laws.

14. Transport Information:

Not Applicable
Well protected by package and avoid for drop to ground

15. Regulatory Information :

This products is not classified as dangerous , no label needed.

16. Other Information:

This MSDS is for LCD Panel , Module and Touch Panel , and also considered for all the material combination , i.e. Liquid crystal , Glass, Polarizer , PCB, Backlight , Housing. LCD Panel , Module or Touch Panel is an article and is not subject to the Occupational Safety and Health Administration's Hazard Communication Standard (29 CFR 1910 1200 (b)(6)(v)) But URT prepared the MSDS as a convenience for our customer .
