

034L & 206L Series

75 Ohm DIN 1.0 / 2.3 and BNC Assemblies

Product Description

New 034L and 206L Series Cable Assemblies are manufactured with our KINGS® high performance DIN 1.0 / 2.3, Standard 2065 Series BNC, and Long Barrel 2065 Series BNC Plug Connectors.

All Cable Assemblies are 100% tested and are available using popular Belden 1855A, 1505A, and 1694A precision 75 Ohm video cable.

Assemblies are available in 10 standard lengths using black cable. Custom lengths and other cable color jackets are also available.

- 034L DIN Assemblies are manufactured with our 0345 Series DIN 1.0 / 2.3 Plug Connectors which feature precision machined components designed to provide long-term durability, reliability, and performance.

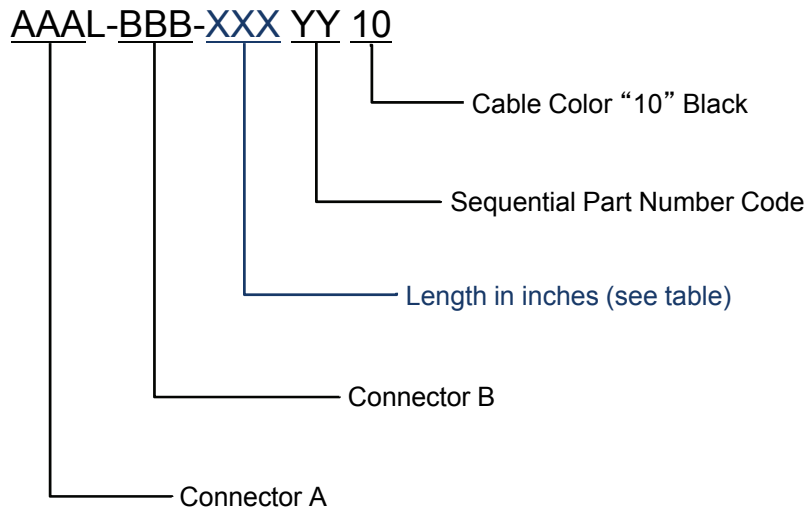

- 206L Standard BNC Assemblies are manufactured with our popular and industry-proven KINGS® 2065 Series BNC Plug Connectors.

- 206L Long Barrel BNC Assemblies are manufactured with our KINGS® Long Barrel 2065 Series BNC Plug Connectors which feature an extended length body which is easier to grip and also provides lower return loss.
