

## DDR3 2000MHz 1GB CL 8 / 9 -Desktop

### Description:

Winchip GDF1GB68L100C8 / GDF1GB18L100C9 are great performance of DDR3-2000MHz memory. Combined with Winchip colorful diamond carving heat sink which helps to dissipate the heat through the fins and making your computer system more stylish.

Each DIMM is composed with 8 chips of 64Mx8 IC or 16 chips of 128Mx8 and JEDEC standard 6/8-layered PCB in order to provide the best compatibility and Reliability and stability as well as overclocking performance..

Colorful standard Winchip diamond carving heat sink can be chosen at option!

### Features:

- JEDEC standard 240.pin DDR3 DIMM
- "Non-ECC, 1Jn-buffered
- Standard 6 layered / 8.layered PCB
- 2000MHz DDR3-1GB
- Cas-Latency8-8-8-24 / 9-9-9-24 (CAS, tRCD, tRp, tRAS)
- "Voltage:1.9V
- On-Die-Termination (ODT)function built-in
- Off-Chip-Driver(OCD)calibration ability

### Advantages :

- 100% original chips
- Various motherboard double tested
- Great stability and compatibility assured
- 24hours Burn-in tested
- ISO9001certified
- RoHS compliant
- 100%Made in Taiwan
- Lifetime warranty
- Color options for heat sink : Yellow Gold / Silver / Black / Red / Sapphire Blue / Sky Blue / Crystal Purple / Lavender.
