Mini DRAWER

PIN ASSEMBLY

1. Choose one housing from the **Pin Housing Selection Menu** table.
3. Write the total quantity of each pin contact you require **for each pin assembly** in the **Qty** column of the **Pin Contact Selection Menu** table.
4. **For the contacts you want Elcon to install**, enter the letter reference of the desired pin contact in the appropriate contact position on the drawing; e.g., if you need a size #20 premate PCB tail contact to be installed in contact position #10, write "H" in circle #10.
5. Sign, date and fax the completed form to Elcon at the appropriate fax number for your location (see the bottom of the page).
